

CYBER SAFETY TIPS

6

GENERAL RULES

Set easy rules

Set family rules that everyone not only agrees to, but also ensure they all abide by them.

Set fair rules

Children of different ages may need different rules that do not impact each other in an unfair way.

Include family

Rules are not just for children. The whole family should be able to benefit from the family rule set.

Include devices

Computers, Tablets, Smart phones and consoles should be included in your family rule set.

Set boundaries

Set boundaries to internet usage. Include certain specific sites, time limits, types of usage for example homework research, game playing, online articles and potentially social media as well.
