

# CYBER SAFETY TIPS

## 5

### KEEP INTERNET FUN

#### Focus on good

Focus on the good sides to internet usage and how it can help you and your children.

#### Make it useful

Show how you use the internet on a daily basis to make bookings, research products or services, etc.

#### Help school

Find out what topics the school is teaching and help the children research, and make it fun.

#### Protect the fun

Ensure that children access child suitable content and encourage safe and secure usage.

#### Spend time

Spend time on the same systems showing them that the web can be a place to share experiences in a positive way. Bookmark pages that you want you children to use, for example Cbeebies.
