

# CYBER SAFETY TIPS

## 4

# SAFE INTERNET USE

### Define who

Help educate your children about how and when to interact with others online.

### Define what

Discuss with children what is acceptable to post online and what could be unacceptable.

### Define which

Review which sites are safe and what indicates a site is not safe to use.  
(SSL)

### Define how

Discuss how to exit a page that you accessed without meaning to and who to tell if you did.

### Social media

Discuss how social media works and what the benefits, but also issues that a social media site can bring.  
(Age specific usage for example over 13 years old)..
