

INTERNET REMEMBERS

The internet never forgets so here are some thoughts when posting or communicating online.

TRY TO BE NICE

would I like to read this message
if it was sent to me?

HAVE FEELINGS ONLINE

how would I feel if I read
this?.

IGNORE NASTY MESSAGES

don't make things worse by
replying to nasty messages.

NICE NEVER HURT!

if you have nothing nice to
say then don't type it

KEEP SECRETS SAFE

don't share everything to everyone!

THINK **W**HEN **O**NLINE

Think before you post, share
or comment.
